January 2016

We are already over three weeks into the new year and the spring term! We have welcomed several new children into both the Breakfast and After School Clubs. The numbers have increased and it has been a very busy few weeks. Every night we offer various sporting activities, craft activities, free play as well as offering a quieter area for those who wish to do homework or reading.

We have already made clay models, peppermint sweets, hanging fish, octopus puppets and for the build up to Australia Day, boomerangs and didgeridoos! These are on top of all the other activities that go on such as board games, needlecraft, knitting, dodge ball, lego building, junk modelling and hockey to name just a few.

## Just a few reminders

Please ensure that the office is made aware of any changes to your children's Breakfast and After School Club bookings.

May we remind parents that breakfast club opens at 7.30am and we do not accept children prior to that time. Breakfast is available from 7.30am until 8.30am so if you would like your child to enjoy a healthy breakfast with us please ensure they arrive at a suitable time.

Premier Sport will be running activity days at school during this half term break. For further details please ask for a leaflet or visit [www.premier-education.com](http://www.premier-education.com)

Any donations of toys, dressing up clothes and junk modelling materials will be gratefully received.

The Breakfast and After School Club mobile number is 07917517521 should you need to contact us.
