Treasurer's Report for the year 2015-16

It has been another very successful year for Eaton Primary PTA, raising £11,457.05 through various fundraising activities. Again the discos, Easter Fayre, Santa's Workshop, quiz and chips and the summer fete were large fundraisers together with the hugely successful bake sale competition (raising £1,847.90 alone)

The ice-cream sales were such a huge success again this year and sales raised £339.89. Second hand uniform sales raised £205.60

The Christmas projects which included Calendars, Tea Towels and Christmas Cards raised an impressive £1,169.

Activities which have required little PTA participation – Bags2school, Easyfundraising and Label Planet have raised £936.62

The PTA has had a successful year funding one of our largest ever projects, the pirate ship situated on the junior playground. All fundraising was aimed at this one large project and is well used by all children at the school.

As in previous years, the PTA funded the Year 6 leaver's party and organised the Year 6 leaver's hoodies.

At the end of the school year we have a closing balance of £5420.74 which is an excellent start to the new school year, particularly after funding such a large project. This puts the PTA in a strong position to start the next fundraising venture.

The breakdown of funds raised and spent are detailed in the end of year treasurers statement.

All fundraising activities have been well supported and well organised – thank you to all PTA members for their hard work and dedication.
