

Year 5 - Spelling Challenge

Each week, your child will receive 10 spelling words following a spelling pattern or rule, or commonly misspelt (tricky) words. In line with the school challenge approach, your child should choose to learn 5 or 10 words for a spelling test. There will also be two dictation sentences. The words will be handed out every Tuesday and tested on Tuesday the following week.

Week 5 – test 17th October
