CRAFTICUBS NEWS – October 2017

Hello and welcome to the first Crafticubs Newsletter of the new school year. We are already almost three weeks into the new term, the summer holiday seems a distant memory!

We have welcomed lots of new children into both the Breakfast and After School Clubs. They have settled quickly and we hope that they will continue to enjoy their time with us.

We also welcome two new staff members. Ruth Wyman, who already works in the Reception classes. She will be with us on a Tuesday afternoon. Sam Chambers joins us as the new sports coach from Premier Sports and will be with us every afternoon.

Many of you would have noticed that we now have our own pegs for the Infants coats and bags. This has helped to free up the Infant Hall and give the Juniors more space in the boxes we provide for their possessions.

We have also purchased some new toys. These include a new football table which also turns into pool, table tennis and several other games which the children are discovering!

We have been making far more use of the Infant Hall, especially at Breakfast Club. It has given the children more space and both staff and children are already feeling the benefits.

Please note that Breakfast Club runs from 7.30am until 8.50am. Breakfast is served from 7.30 until 8.15am. If you wish your child to eat breakfast we ask that they do not arrive after 8.15. We have a lot more children to cater for and this enables your child to enjoy their breakfast, whilst giving them time to join in activities before going into class.

Sam Chambers from Premier Sports will be in charge of the sporting activities every afternoon. He hopes to get outside as much as possible but as the nights draw in and the weather changes we will make use of both the Infant and Junior Halls and he will organise a variety of activities

Any donations of toys, dressing up clothes and junk modelling materials will be gratefully received.

At the moment we are especially short of 'Barbie type' dolls, ponies, cars, trains, dolls and dolls clothes. We are also looking for road/rail playmats.

The Breakfast and After School Club mobile number is 07917517521 and our email is crafticubs@eaton.norfolk.sch.uk should you need to contact us.

Learning Together Through Challenge
