MAY 2018

Headteacher

Mr Allan Lowe MA(Oxon),NPQH

Hello and welcome to the Summer Term Crafticubs Newsletter of 2018.

There have been several changes this term. One of which is the new way of booking Crafticubs sessions. We have had some very positive feedback and apart from a few teething problems all appears to be working well.

We have also had some staff changes this term. At the end of last term Tom Peachman left Premier Sports for a new career, he was a valued member of our Breakfast Club team and will be missed.

As most of you know Claire has reduced her working hours due to her partner having had major surgery. Claire now only works within the Breakfast Club but still remains in overall charge of Crafticubs. Louise Tillet has taken on the role as Supervisor for the After School Club. We have several new faces on the team from Premier Sports - Andrew, Paris, Diana and Fabio. The children are busy getting to know them.

Already this term the children have had the opportunity to get outside a lot more and make the most of the better weather and the lighter nights. We hope to spend the majority of the After School Club Sessions outside and we have plans to take as many activities outside as possible. These will include planting, painting, playdough, gloop, shaving foam, treasure hunts, tennis, cricket, rounders to name but a few. At present we are in the process of creating a new display of coloured fish, octopus' and other underwater creatures.

As we are spending more time outside please can you remember to send your children with suncream (to apply themselves), hats and water bottles (named please).

REMINDERS.

Please note that Breakfast Club runs from 7.30 until 8.50am. Breakfast is served from 7.30 until 8.15am. **If you wish your child to eat breakfast we ask that they do not arrive after 8.15am.** We have up to 50 children to cater for so this enables your child to enjoy their breakfast, whilst giving them time to join in activities before going into class.

After School Club runs from 3.15 until 6pm. When you arrive to collect your children from After School Club please can we remind to you leave site promptly for safeguarding reasons.

If you wish to contact Crafticubs you can email us - crafticubs@eaton.norfolk.sch.uk or phone us on 07517941139. You can leave emails, messages or voicemails at any time and we will get back to you as soon as we can. If you need to speak to us we have the phone with us from 7am-9am and from 3.15pm-6pm.

Any donations of toys, dressing up clothes and junk modelling materials will be gratefully received.
