

ENGLISH

This half term we will be looking at a selection of contemporary fiction stories as well as recounts. Recounts fit in well with our topic, as we explore The Great Fire through diary extracts. In writing we will be creating our own instructions and diary entries.

RE

We will be learning about Judaism, being part of a community, exploring sacred stories and Christmas.

MATHS

In Maths this half term we will be looking at estimating and ordering, doubling and halving numbers and shapes, and naming and describing 2D and 3D shapes.

MFL

We will be learning Spanish with Mrs Lopez.

PSHE/SMSC

We will be looking at how to keep ourselves and others safe, especially in the event of a fire.

SCIENCE

We will be exploring how different materials are made and consider the different properties of materials and how this affects their use.

The children will asking simple questions so we can perform simple tests to answer.

Year 1

Autumn 2 2018

Mrs White

& Mr Gardner

GEOGRAPHY/HISTORY/ART/D&T

We will be exploring the history of the Great Fire of London, looking at the timeline of events and its effect on London.

We will also explore the city of London on maps and compare how it has changed.

In Art we will be exploring colour using different media.
