

ENGLISH

This half term we will be focusing on Narrative writing particularly about describing characters and settings. We will also be writing explanation texts and honing our speaking and listening skills by being weather reporters.

RE

We will be learning about belonging, celebrations and sacred places focusing on the Christian and Jewish faiths.

MATHS

In Maths this half term we will be practicing counting in 10s forwards and backwards. We will be representing numbers using number lines and hundred squares. We will be sorting objects, number, money and shape. We will be learning more about addition and subtraction. Towards the end of the term we will be revisiting number bonds to 10 and 20.

COMPUTING

We will be using ICT to create and record weather forecasts. We will also manipulate images on the iPads.

Where in the World?

PSHE/SMSC

We will be looking at the importance of looking after the environment and the world around us.

SCIENCE

We will be investigating the weather and seasonal changes. We will be learning about what the weather is like during each season and how it changes throughout the year. We will use the findings of our investigation to look for weather patterns.

Year 1

Spring 1

Mr Gardner

& Mrs White

GEOGRAPHY/HISTORY/ART/D&T

We will be learning about the weather in our country and around the world. We will compare our climate to other climates. We will be using the weather to inspire our art and we will be making rain catchers.
