

Spring 1 Year 1 Homework Assignments

You must choose 4 maths and 4 topic homework assignments to complete in your homework log book every half term. If you want to do extra – that’s great! You will receive up to 3 house points for every completed assignment. Homework logs can be handed in Monday – Thursday and will be handed back on Friday. Please encourage children to complete the tasks at their own pace within the half term. Please feel free to comment on how your child has found each task. We encourage children to record their work in whatever form suits their learning style and the task at hand.

Maths Choose 4 to complete	Topic Choose 4 to complete
Practice writing numbers 1-20 in words and match with numeral.	Complete a weather diary for a week. What is the weather like each week? What words would you use to describe the weather? What is the temperature? Can you measure the rainfall?
Using ordinal numbers, rank which places in the world you would most like to visit from 1 st to 10 th .	Create a poster describing the four seasons. What is the weather like during each season? What do plants and animals do during each season?
Draw a number line. Label the beginning 0 and the end 20. Place any 5 numbers along the number line which fall between 0 and 20.	Choose two different countries. Investigate the kinds of weather they experience during the year. Are there any similarities or differences?
Draw a treasure map. Explain to someone at home how to follow it, using positional language such as turn, behind, in front, next to, etc.	Create a piece of artwork inspired by the weather we experience during your favourite season.
How many ways can you create the answer 15? Try to use addition, subtraction and multiplication.	Send a letter or an email to a friend or family in another part of the country / world. If you get a reply, include it in your homework book.
Measure the heights of people in your family and order from tallest to shortest.	Pretend you are a weather reporter. Create a weather report and present it to your family.
Fill a bowl with dried pasta. Count the pasta pieces up by grouping them in 10s. How much pasta did you count? How many 10s? How many units?	http://www.bbc.co.uk/education/clips/z8hvcdm Watch the video and tell us where you would like to live and why?
