

## ENGLISH

This half term we will be looking at the features of reports as well as non-fiction texts. We will be writing our own labels and instructions. We will be reading Zog and the Flying Doctors and writing our own stories.

## ICT

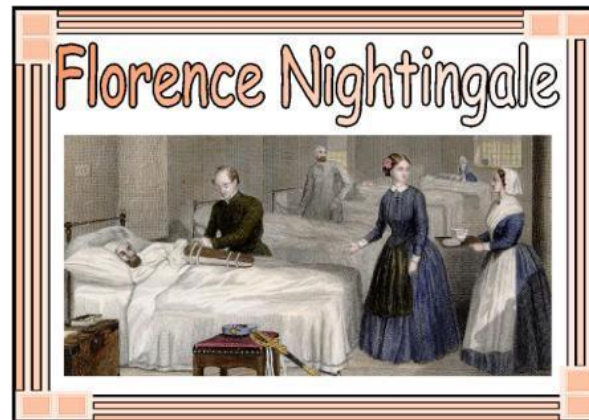

We will continue to learn about Coding and also be using iPads to help with cross curricular learning.

## SCIENCE

We will be learning about the human body. We will be labelling the parts of the body and learning about our senses. We will be learning about hygiene and why it is important to keep clean and healthy. We will be visited by 'The Teddy Bear Hospital' to teach us more about the human (and teddy bear) body.

## RE/SMRC

We will be learning about different religious celebrations.

## MATHS

In Maths this half term we will be looking at measuring length and height using standard units of measurement. We will also be learning skills related to multiplication and division. In our Geometry unit we will be learning about Position and Direction and Properties of Shape. The children will also have a 'Daily Problem' and 'Daily Calculation' to help with reasoning and fluency in maths.

## PSHE

Caring for others  
Showing respect for others  
NHS

## GEOGRAPHY/HISTORY/ART/D&T

We will be learning about Florence Nightingale and how she influenced nursing in this country. We will be learning about her life and why she is a significant figure in British history.

Year 1

Spring 2 2019
