

Trip

A visit to Banham Zoo.

Geography

This term we will be studying Australia. We will be finding out the difference between man-made and natural features. We will then be using these features to compare Norwich with Cairns.

English

This half term we will be focussing on Australian Dreamtime stories. We will return to our study of traditional fairy tales and reimagine these tales within an Australian setting.

Music

This half term we will be using Charanga and focusing on the theme of 'Zootime' a reggae tune.

Spanish

This term the children will continue to develop their understanding of the Spanish language.

Art and DT

We will be focussing on art this half term. We will be studying aboriginal art and use the technique of pointillism.

Science

The children will be describing how different animals live in habitats to which they are suited and understand how these habitats provide for the basic needs of different animals. We will also be learning about how animals obtain their food using the idea of a food chain.

Maths

This half term we will return to the four operations and understand the links between them. We will be using the language commutative and inverse. We will also be telling the time to the nearest 15 minutes and finding out what the time would be an hour later or before. We will return to our understanding of money and how to work out how much change to give back.

Australia
