The aim of the Club is to provide the necessary facilities for the daily care, recreation and education of children before and after school in a safe and friendly environment. We provide free play and activity based services and facilities within a caring and happy environment, enabling children to have opportunities for both relaxation and play, whilst meeting the needs of parents.

- The club is insured for Employer and Public Liability.
- All staff have undergone a Criminal Record Bureau or Disclosure and Barring Service check

Booking a Place

Parents must first read these Terms of Membership before filling out an application form. Places cannot be automatically guaranteed, however we will make every effort to fulfill your childcare needs.

The Club offers a variety of indoor and outdoor activities, games, competitions, arts and crafts sessions, and sports. The emphasis is on children having fun and their own ideas are always taken into consideration.

The program of activities will not include those, which in the opinion of the Governors are dangerous, encourage or condone racism or sexism, or are in any way offensive, either to the children or parents.

Administration of Medicines

We require written parental permission to authorise the Playleader to administer prescribed medicine. All medicines must be clearly named, labeled with the appropriate dosage and dosage times. When collecting your child you must sign the administration of medicines record and take the medicine away with you.

Urgent Medical Treatment

In such instances the Playleader would try to contact the parent. If this is not possible the Playleader will telephone the emergency services. Parents must give their consent to this procedure on the Application for Membership form.

Cancellation of Bookings

There will be no refund in respect of places booked and not taken up. However, as a safeguarding requirement you must let us know if your child/children are not going to attend.

Please read this important information first and keep this sheet for your reference.

1. There is no automatic guarantee of a childcare place at the Club. Places are allocated according to the number of staff employed (one member of staff for every 8 children) and the maximum number of children allowed in the designated area.
2. The allocation of places is determined by:-
 - Consultation with Headteacher
 - Your child is already a regular member of the club
 - Siblings of regular members of the club
 - Submitting booking form and payment
 - Number of sessions required
 - Session availability
3. Payment of fees will be paid in advance on a termly/half termly basis. **There will be no refund in respect of places booked and not taken up.** As a safeguarding requirement you must let us know if your child/children will not be attending for any reason.
4. Although we do not encourage ad-hoc bookings, there may be occasions, if places are available, that this will be possible. Payment must be made at the time of booking.
5. Children must be collected by 6.00pm at the latest. The Club closes at 6pm and parents who are unavoidably late should contact the Playleader. If by 6pm, a child is still waiting for a parent who has not telephoned, we will make every attempt to contact the parent or your emergency contact person. Thereafter, we will contact Children's Services or the Police, who will arrange for emergency care. **To cover staff salary costs parents/carers will be charged £10.00 for each 15 minute period beyond 6.00pm while their child remains in the care of the club.**
6. Children must be collected by a parent or other responsible adult (16yrs+) and you must tell the Playleader who will be picking a child up on any given day.
