<p style="text-align: center;"><u>Money</u></p> <p>Create a shop at home and add up the items! Can you calculate change?</p> <p style="text-align: center;">Play this online game https://www.topmarks.co.uk/money/toy-shop-money</p>	<p style="text-align: center;">x.html?source=subject-English-KS1-English-Resource%20types</p> <p style="text-align: center;">KS1 audio books</p> <p style="text-align: center;">https://central.espresso.co.uk/espresso/modules/e1_big_books/index.html?source=subject-English-KS1-English-Resource%20types</p>
<p style="text-align: center;"><u>Fractions</u></p> <p>Follow the link to play an interactive pizza fraction game</p> <p>https://www.twinkl.co.uk/go/resource/tg-ga-92-pizza-fractions-game</p> <p>Collect items from around the home to split into halves, quarters and thirds.</p> <p>Challenge – two quarters, three quarters and two thirds!</p>	<p style="text-align: center;">Create a book review of your favourite book!</p> <p style="text-align: center;">Create your own comic book with cartoon pictures.</p>

Top Tips for Home Learning

1. Establish a routine at home by making a weekly timetable.
2. Plan a blend of activities that might include:
 - Work set by the school for maths and literacy
 - Other learning opportunities such as online, practical, outdoors
3. Provide opportunities for daily exercise
4. Be aware that this may be a stressful time for children and pay special attention to their emotional and mental wellbeing
5. Use safe online platform to stay in touch with friends and family
6. Sign your child up for ClassDojo to stay in touch with school (see below)

ClassDojo

ClassDojo is a school communication platform that teachers, pupils and families can use every day to build close-knit communities by sharing learning through photos, videos, and messages. Whilst school is closed, teachers will be using ClassDojo to maintain relationships with the whole class.

Teachers can:

- Send direct messages to families, share lessons or announcements, and assign classwork to pupils.
- Share activities that children can respond to from home via video, photo, journal entry, or drawing.

Children can:

Showcase and share their learning by adding photos and videos to their own portfolios

Getting connected to your child's class teacher:

School will email a **class code** so that children can log in from home and join their class community. The code expires within 48 hours so please let the office know via email if, once you receive the code, you are having difficulties.
