

## Home learning – Year 3

Please use the links and ideas below to support your home learning.

English	Maths
<p><u>Reading</u></p> <p>For each book you read over the next two weeks, write a <b>summary</b> of what has happened. Summarising is an important reading skill which is super easy to practice! If you are reading a chapter book, you could summarise each chapter as you read. Once you are getting good at summarising, play a game with word limits. Can you only use 50 words? 20? 10?</p> <p>Continue to read daily and use the links below to help you.</p> <p><a href="https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/">https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</a></p> <p><a href="https://central.espresso.co.uk/espresso/modules/e2_comprehension_lks2/index.html?source=subject-English-KS2-English-Resource%20types">https://central.espresso.co.uk/espresso/modules/e2_comprehension_lks2/index.html?source=subject-English-KS2-English-Resource%20types</a></p>	<p><u>Number and Place Value</u></p> <p><a href="https://nrich.maths.org/2646">https://nrich.maths.org/2646</a></p> <p>Play your own version of the game by picking your own digit cards out of a bag and exploring which numbers you can make.</p> <p><u>Addition and Subtraction</u></p> <p>Use this link to remind yourself of how to use column subtraction: <a href="https://www.bbc.co.uk/bitesize/topics/zy2mn39/articles/zc78srd">https://www.bbc.co.uk/bitesize/topics/zy2mn39/articles/zc78srd</a></p> <p>Practice first with 2 digit numbers then once you feel confident you can make the numbers larger.</p> <p>Mental maths fluency practice: <a href="https://www.topmarks.co.uk/maths-games/mental-maths-train">https://www.topmarks.co.uk/maths-games/mental-maths-train</a></p> <p><a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a></p>
<p><u>Spelling</u></p> <p>A prefix is a group of letters that are added to the beginning of a word to change or alter it's meaning. Some Year 3 prefixes are 'dis-' and 'mis-' Practice thinking of some words with these prefixes eg. Disappoint, misuse What do the prefixes mean? How many words can you think of? Use the spelling strategies you have practiced previously to practice spelling these words.</p> <p>Continue to practice Year 3 and 4 statutory words:</p> <p><a href="https://www.spellzone.com/curriculum/national-curriculum/years-3-4.cfm">https://www.spellzone.com/curriculum/national-curriculum/years-3-4.cfm</a></p>	<p><u>Multiplication and Division</u></p> <p><a href="https://www.youtube.com/watch?v=LTxql8_dXec">https://www.youtube.com/watch?v=LTxql8_dXec</a></p> <p>Watch the video to remind yourself of the grid method/partitioning method.</p> <p>Practice along with the video and then use your own numbers to practice. Once you are feeling confident, you can try 3 digit x 1 digit.</p> <p><u>Number facts</u></p> <p><a href="https://nrich.maths.org/10654">https://nrich.maths.org/10654</a></p> <p>Play the 'double or halve' game with a partner!</p>
<p><u>Grammar</u></p> <p>Using pronouns for cohesion: Pronouns are used to avoid repetition in your writing. Write a silly story or some silly sentences about people or toys in your house. Underline where you have used a pronoun instead of a noun.</p> <p>It was a bright, sunny day and Miss Hughes was watering <b>her</b> sunflowers.</p>	<p><u>Measures</u> <a href="https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm">https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm</a> - What is capacity?</p> <p>Capacity challenge! Can you estimate the capacity of different containers in your house? Ask an adult to help you measure the liquid in the containers to see how accurate you are.</p> <p><u>Shape</u></p> <p>Draw and name all 2D shapes you know.</p>

	<p>Find 2 different ways to group them. You could use a venn diagram or you could simply sort them into groups.          You could group them based on:          Straight/curved sides          More than/less than 4 sides</p>
<p><u>Composition – Writing</u></p> <p><a href="https://www.literacyshed.com/catchit.html">https://www.literacyshed.com/catchit.html</a></p> <p>Watch the video and choose one of the activities below:          Challenge 1. Write a description of the beautiful scene of the African plains at the beginning.</p> <p>Challenge 2. Write the story from the vultures point of view.</p> <p>Challenge 3. Write a dialogue between the meerkats from the start of the video until the point where they decide to chase the vulture.</p>	<p><u>Fractions</u></p> <p><a href="https://nrich.maths.org/4519/note">https://nrich.maths.org/4519/note</a> - help on this task and notes on using a fraction wall.</p> <p>Using a fraction wall to help you, can you find fractions that are equivalent to each other?</p>  <p><u>Time</u></p> <p>Design a poster demonstrating your knowledge of:</p> <ul style="list-style-type: none"> <li>- Order of the months</li> <li>- Number of days in each month</li> <li>- The number of days in a year</li> </ul>

### Top Tips for Home Learning

1. Establish a routine at home by making a weekly timetable.
2. Plan a blend of activities that might include:
  - Work set by the school for maths and literacy
  - Other learning opportunities such as online, practical, outdoors
3. Provide opportunities for daily exercise
4. Be aware that this may be a stressful time for children and pay special attention to their emotional and mental wellbeing
5. Use safe online platform to stay in touch with friends and family
6. Sign your child up for ClassDojo to stay in touch with school (see below)

### ClassDojo

ClassDojo is a school communication platform that teachers, pupils and families can use every day to build close-knit communities by sharing learning through photos, videos, and messages. Whilst school is closed, teachers will be using ClassDojo to maintain relationships with the whole class.

#### Teachers can:

- Send direct messages to families, share lessons or announcements, and assign classwork to pupils.

- Share activities that children can respond to from home via video, photo, journal entry, or drawing.

Children can:

Showcase and share their learning by adding photos and videos to their own portfolios
