

Year 6 Home Learning

Week commencing: 13 July & 20 July

For the next 2 weeks in Year 6, the children will be working on their own **Projects** which they planned and timetabled themselves last week:

- They have planned using the **Project planning template**
- They have timetabled using the **Timetable template**

For those children who are unable to come up with an idea for their own project, there are 4 sample projects which they can choose from: **My Favourite Animal; Queen Elizabeth I; Leonardo da Vinci; Forests and Trees**. If your child would like to do one of these projects, please help them timetable the different activities on the plan using the timetable template.

N.B. Access to a computer/internet is going to be quite important for your child to be able complete their projects.

If you feel that completing a project is not a realistic outcome for your child due to lack of internet access, please could they complete a page from each of their **CPG books** each day.
