Dear Parents

Covid-19 Update 21.07.2020

Class Dojo

Class Dojo will close down this Wednesday at the end of day. The last teaching video will be posted on Wednesday morning. We hope that we have been able to support learning at home in some way for everyone. Please use the CGP booklets over the holiday if you would like to continue with learning. We will send information at the start of next term about our new online learning at home arrangements.

Transition Meetings

These have run really successfully, having given children the opportunity to meet their new teacher, and for those children learning at home, a short return to school before the summer break.

Following on from these meetings, we plan to hold a group Team meeting for all children and their new teacher on Friday 4 September, to reduce any `going back` to school anxieties. You will receive an invitation for this meeting from your new teacher via email in September.

Year Six

It has been really fantastic to be able to give our wonderful Year 6 a send-off they can remember. Together with the BBQ, each child will be presented with their own PTA `Eaton Leavers Hoodie` and a personally inscribed book from Mrs Mathew and Mr Jones. It is terribly sad that their final year at Eaton has been so disrupted by coronavirus, but we can take heart from their amazing resilience and camaraderie in the face of these challenging times – they are a shining example to us all. We wish everyone of them the very best of luck for Year 7. They will all be incredible!

School lunch

Hot school lunches will recommence in September. As a temporary measure, children will eat lunch in their classroom, which will be served in biodegradable boxes. Please see the new menu from Norse attached. Booking details will follow.

After School and Breakfast Club Booking

We will open an initial booking window running from Friday 24 July from 16:00 and closing on Friday 31 July at 16:00. This booking procedure does not apply to parents in New Reception or parents paying by voucher. Detailed information on drop off and collection arrangements will be sent to parents before the start of term.

Annual reports to Parents

Reports will be sent home with children on the last day of term for children attending school and sent in the post to children at home. Reports for all children indicate progress and attainment up to school closure. attendance is not applicable this year because of school closure due to coronavirus.

Safeguarding & Wellbeing

Our wellbeing team has put together advice and guidance to help keep families keep safe and mentally healthy over the summer break. It includes contacts of where to get support should you need it. Please note that all school services will close over the summer break.

If you are concerned about the safety of any child, you should contact: Norfolk County Council Customer Services on 0344 800 8020 who will put you through to the Children's Advice and Duty Service if the call concerns a child's safety. You can call with any safeguarding concern you might have about a child.

Kind regards

A handwritten signature in blue ink, appearing to read 'Allan Lowe', with a long horizontal flourish extending to the right.
