PTA News September 2020

We hope you all had a good summer break and we warmly welcome all new parents/carers joining the school this year.

Annual General Meeting (AGM)

All parents and teachers are automatic members of the PTA when they join the school, and are welcome to share ideas, attend meetings and help with planning and running future events, for as little or as much time as you can spare.

We would normally hold our AGM in September and elect a committee for the new school year, but due to the current Covid restrictions we will not be having our meeting yet. We will review this in the coming weeks and look at the possibility of an online meeting, if it can't be done safely face to face. We'll keep you posted!

What we do

In a normal year we would organise lots of fun events for the children, including discos, cake sales and the summer fete. These events raise thousands of pounds which are used to enrich the children's school life with purchases such as the new stage, buddy bench and play equipment. As planned, money raised last year up until March 2020 is still going to be spent on a piece of new play equipment for the junior playground. We will inform all parents when this will be happening and when PTA events are able to go ahead again.

Christmas 2020

We hope to sell Christmas cards this year, individually designed by all children in the school. We are currently looking into Covid safe ways of doing this, including online parent orders and payments. These cards are always very popular and are perfect to send to relatives and friends. We'll be in touch soon with the details.

Second Hand Uniforms

Thank you to the many parents who have donated their children's uniforms over the years. We normally sell these on at various events through the year. For now, we kindly ask that no more uniforms are donated as we have plenty. If you are looking for a particular item please email us your request. We generally sell jumpers and cardigans with logos and we also have a few dresses, trousers and shorts all in good condition. If you have uniforms you no longer need and would like to pass on for free, you're welcome to advertise them to other parents on our Facebook page.
