23 September 2021

Dear Parents of Year 5 pupils

This term, our Science topic is 'Space' and the children have been enquiring about our solar system and the planets within it.

We are lucky enough to have secured a visit from the 'StarDome Planetarium' on Tuesday 28 September. The children will enter a mobile planetarium, watch a presentation about the solar system, trace star constellations and then have the chance to have their questions answered by an astronomer.

To help support this activity, we are requesting a voluntary contribution of £5.30 per pupil which can be paid via the school money system at

<https://login.eduspot.co.uk/public/portal/parent/?app=schoolmoney&source=website&version=20190314> or via the School Money app.

Thank you in advance for supporting his activity.

Yours sincerely

Allan Lowe
Headteacher

Learning Together Through Challenge
