## NEWSLETTER MAY 2017

Welcome to the Summer Term Newsletter for the Breakfast and After School Club.

During ASC we are hoping to spend as much of the session outside (weather permitting!) as we did last summer term. We hope to carry this on into the Autumn Term as well if we can. We will be taking a variety of resources outside and trying out different activities, including those that we are limited to do inside. Our theme this term is Summer/Outside. As with normal school policy when the weather becomes warmer (hopefully) please provide your child/children with sun cream and sun hats and ensure they have their re-fillable water bottles.

As you are all aware both BC and ASC's have become busier and on several sessions we are full! If you wish your child to have extra sessions we will try to accommodate you. Please give as much notice as possible and apologies if we are unable to fulfill the request.

Due to our safeguarding and child protection procedures it is extremely important that you inform us if your child is not going to attend a booked session. This is particularly relevant at this time of year due to the amount of after school events such as the fete and school discos.

We would also like to remind you that ASC closes at 6pm and all children must be collected by that time. As stated in the clubs terms and conditions we can charge to cover the added staff time, but we would prefer that parents allow sufficient time for their journey and arrive no later than 6pm.

Sadly Sherilyn Curtis will be leaving us this week. She has been a valued member of the ASC team for about 7 years. Her plan is to spend more time with her family. She won't be too far away as she will continue to work at Eaton Elephants. We wish her well.

After half term we will be welcoming Louise Tillet (already a TA in the school) as our new member of the team. She will be working Tuesday and Thursday afternoons. Donna Smith will be swapping from Thursday to Monday. All other staffing remains the same.

We are always pleased to accept any unwanted toys in good condition and also items for junk modelling.

Please remember staff are available if you have any concerns and to answer any queries you may have.
