Dear Year 6 Student

www.thehewettacademy.org

I hope you have enjoyed your return to school and are settling into year 6!

Ordinarily at this time of year, we would be getting ready for our Year 6 Open Evening and we always look forward to showing off what a great school Hewett Academy is. Sadly, with covid-19 restrictions, we can't do that at the moment so instead we are:

- Enclosing a pack with this letter, including our new prospectus
- Putting video tours and interviews with staff up on our website (www.thehewettacademy.org)
- Providing covid-secure tours which your parents/carers can book.

Hewett Academy is a wonderful community school and we are so proud of our students and staff. The students at our school always do really well, and we'd like to invite you to be a part of that.

Hewett has amongst the best facilities of any school in Norfolk, especially our Theatre, Dance Studio and sports pitches. As a knowledge rich school, we have seen our school results rise for each of the last three years - getting better, and better, and better! We are also a school that believes in a broad and balanced curriculum - life is more than just English and Maths, but also about Art, Music, Drama, Design & Technology, Sport and languages too! We don't expect you to be great at everything but we want everyone to give it a go!

Coming to High School is an exciting time and we're here to make it easy for you. I know you'll love being at Hewett Academy and we look forward to meeting you!

Best wishes

Mr Antony Little
